Division Breakdown (see second registration document)

Divisions will be broken down by size, at the discretion of TSC, based on the quantity of teams that register.

TSC scoresheets are set up to reward execution, difficulty, and choreography – not size.

A small team competing against a large team in the same division will be judged equally and squad size will play no role in scoring.

The Spirit Consultants accept school checks, ASB/booster account checks, cashier's checks, money orders, and all major credit cards.
