

TSC 2021 GAME DAY REGISTRATION INFORMATION AND ORDER FORM

TSC will offer a full GAME DAY division at our Sonoran Desert Classic Cheer Competition on Saturday February 20th, 2021. Our TSC GAME DAY competition format will follow the same format and rules for the FINALS PERFORMANCE only that the AIA Spiritline has laid out for the 2020-2021 season. There will not be any qualifier rounds, only the finals performance round as a single, all-encompassing performance.

GAME DAY DIVISION INFORMATION

GAME DAY PERFORMANCE OVERVIEW

- 3-minute total time limit. Teams will set up as they take the floor. Time will begin with the first beat of the Band Chant music.
- One continuous performance demonstrating the compilation of the Game Day elements – band chant, crowd leading, and fight song – plus a situational element.
- All performances will follow the same order:
BAND CHANT into SITUATIONAL ELEMENT into CROWD LEADING into FIGHT SONG.
- Following completion of the band chant, the announcer will give squads a game scenario indicating an offense or defense situation. Teams should show their definitive understanding of the situation with an offense or defense crowd leading response, which will transition the team into the crowd leading section of the performance.
- Following completion of the crowd leading section, teams will complete their fight song routine.
- Specific skill restrictions for the FIGHT SONG section include:
 - No basket, sponge, or elevator tosses allowed (cradles are dismounts, not tosses).
 - No inversions.
 - No twisting dismounts from stunts.
 - Single-leg extended stunts are limited to liberties and liberty hitches.
 - No running tumbling.
 - Standing tumbling is limited to ONE SKILL, with back tucks being the most elite tumbling skill allowed.
 - Each section should have a designated beginning and end with spirited crowd interaction between.
